Faculty Affairs News 180 Nov. 4, 2021

New Faculty Profile Pages

UTA's New Faculty Profiles pages will go live next week!! We are replacing the Mentis profiles with New Faculty Profiles. We encourage all faculty to update the information for their web profiles in Digital Measures. This includes the photo and biographical information. You can upload a high-quality photo on the Personal and Contact Information page in Digital Measures. Research and Teaching Interests can be entered on the Biography and Expertise page. If you have questions please contact DMHelp@uta.edu.

Hosting Events at UTA

Did you know OIT can support you before and during your virtual or in-person event? This article describes the event-related services OIT provides and recommends. Visit OIT News to read more about how OIT can help with your event.

Research Enhancement Program Grants

The Research Enhancement Program Grants are short-term, one-time support for faculty research projects and professional creative activity. The grant serves as seed funding for launching new research and as a foundation for future research funding from external sources.

- **The system will open for submissions at 1 PM Monday, November 8, 2021**
- **The system will close for submissions at 4 PM Friday, December 10, 2021**

To view the guidelines click here. To submit a REP grant proposal (starting November 8, 2021) please visit this site here. For more information, please visit the Office of Regulatory Services.

LinkedIn Learning

LinkedIn Learning offers over 16,000 online courses for all UTA faculty, staff, and students. Users should log in to LinkedIn Learning using their UTA email address and password. Visit the OIT website to learn more about this powerful service.

Have a Student Test Positive for COVID 19?

Please work with students who test positive and need to be out of class for ten days as you would any other temporary illness. **We encourage you to speak to the student and find how best you can accommodate them while they are out.** As with any illness, you may request a note from the health center or their doctor. Although this type of situation does not fall under ADA guidelines, the Student Access & Resource Center (SAR) is willing to discuss available resources and options.

Do you know…

That the new faculty web profiles will create your portal to communicate your research and teaching to students and colleagues.

Academic Calendar
