Summer Teaching Online
As the current projections of COVID-19 appear to peak in Texas, the Office of the Provost is in a possible condition to online teaching for the remainder of the summer, UTA has decided to move 150 percent of all summer courses online. Faculty, staff, and students will work to enhance online readiness. The Provost’s Office is working with the Dean and Enrollment Management, as well as University Communication to ensure this transition occurs well and the campus community is informed of this change.

Policy Changes Due to COVID-19
- Extension for tenure-track faculty: there will be no penalty if a faculty member’s research, scholarship, or other academic activity has been delayed in any significant way due to the pandemic and the current restrictions on travel, in-person gathering, etc. UTA system and support the Provost in making exceptions to the policy as necessary. Regent Rule 10107, Sec. 5.5.
- Drop date extended: Course drop deadline has been moved from April 3rd to April 17th.
- Drop rule: Students who dropped a course prior to May 1st will be assigned a W and be subject to the WRW Rule. Students who did not drop before May 1st and April 17th will be assigned a W or ING which will not impact the GPA rule. Students should make an appointment with your advisor to discuss the implications of dropping a course and get necessary approvals prior to dropping a class.
- Student Worker's time: time spent on Monday to Friday, pay for UTA Student Employee.
- Direct Deposit: UTA is continuing to work with Faculty Senate, United and Graduate Associations.Employee succession planning should develop a recommendation through shared governance to whom time can be reallocated. The Provost’s Office is expected to communicate the plan.

Assessing Student Engagement: IFF
Thanks to UTA faculty that are actively engaging with IFF for Faculty (IFF4F). As we move to online teaching, we are concerned about students' ability to engage with their course content. In March, we had 726 logins by faculty, representing a 48% increase in usage from the previous months. IFF provides up-to-date student engagement data that can be shared with Faculty Senate, Undergrad and Grad Assemblies. Extension for tenure-stream faculty. Student recommendations include going into the labs and faculty and student flexibility in making a decision to extend or close. The labs are cleaned frequently to reduce risk of COVID-19.
