### No Exams/Assignments This Week

As our UTA community continues to manage power outages, no heat and in many cases, no internet, we remind faculty that the <u>campus</u> <u>closure</u> through Friday, Feb 19 means that exams, assignments or other work due this week must be postponed for after Monday, Feb 22.

Faculty have the option to shift this week's classes to next week, compress them with those originally scheduled for next week, or adjust them in the syllabus. It is imperative that faculty communicate any changes to students as soon as possible, in addition to updating the syllabus. This last step will ensure that grade appeals and complaints are kept to a minimum. For questions, please contact facultyaffairs@uta.edu.

Faculty are reminded that the <u>National Weather Service</u> is expecting a slight melt today that will refreeze as temperatures dip below 20 tonight. Tonight will be colder than the last two nights with lows falling into the teens with some spotty locations in the single digits. **This will be the coldest night for the next several days.** Roads, sidewalks and other surfaces may be very slippery and all are urged to be cautious.

# **Proactive COVID Testing for Students**

UTA Health Services has expanded free COVID-19 testing for all students. This is a <u>PCR test</u> and meets the diagnostic requirements for return to school, return to work, travel and medical procedures, test results are available in 24-48 hours. Proactive screening tests for students are available on campus every Tuesday and Thursday from 12:30 - 4:30 p.m. Students can schedule a testing an appointment through <u>UTA's Health Services</u>.

# **Promotion and Tenure Session**

Faculty going up for promotion and/or tenure are asked to save the date, March 2 at 3:30 – 4:30 p.m. for a General T and P informational meeting with Provost Pranesh Aswath and Vice Provost Antoinette Sol. To join this session, <u>please register on Teams</u>. Information on P&T timelines, checklists and policies are available on the Provost's website. Faculty are encouraged to check with their college/school for internal deadlines for submission of T&P materials.

### **Technology Tip**

UTA is opting out of the Microsoft early adoption program (TAP) which allowed users to get new features before they were widely released. This led to some confusion as UTA tested new features for Teams and opting out will provide faculty with more stability. Visit the <u>OIT</u> <u>Website</u> for more information.
