Student Feedback Surveys (SFS)

Faculty can access SFS for their courses AFTER first grades are posted and certified by the Registrar’s Office (may take 3-5 days depending on number of late grades). SFS data is available in two systems:

- To access evaluations from Spring 2019 to the present term, please access SFSOnline by clicking the link at the top of this page: http://www.otc.uta.edu/Surveys/SFS.
- To access your evaluations from Fall 2018 to Fall 2019, please access SFSOnline and click on SFS@UTA - Fall 2018 on the top of the page to access IOTA. Log in using your Single Sign-On. A complete list of available faculty is available with faculty through this process.
- To view missing SFS data or evaluations prior to Fall 2018, please go to www.uta.edu/SFS. Click on “Faculty” on the left hand menu and scroll to the bottom of the page to find a link requesting missing SFS data.

Please note that a minimum of 5 students must be enrolled in a course to launch the SFS. For questions, please contact facultyaffairs@uta.edu.

Accessibility in Course Content

To support UT Arlington policies of providing an inclusive and accessible-learning environment for all students, faculty are now in all Canvas courses as of January 6, 2020. It is evident that to access course content in a variety of formats including audio, HTML, PDFs, and on-campus training. The next training will be offered in Fall 2020.

Various options for Ally training will be offered in Spring 2020, including:
- The UTA Ally website has faculty training material for new instructors to prepare and become familiar with ADA, its features, and functionality.
- UT Arlington’s Center for Digital Education is offering workshops and online training. The next training session is January 29th, 2020. Spring 2020 on-campus training.
- Accessibility workbooks are available for faculty to help faculty and instructors become familiar with ADA. Login: February 15th, 2020. Registration for this event can be sent to your email.
- Speak to the Canvas team to learn more about the accessibility feature available in Canvas.

For more information about Ally, training, and resources, visit the UTA Ally website at ally.uta.edu.

New Technology Available

A new feature in Canvas’ Office 365 allows faculty and student access to their grades and viewing times by looking at Attendance data for your students, as well as reviewing a poll to vote on your subject matter. Faculty and students can now have new tools to add to the polling options.

OTT is also working on a plugin to migrate data from TrueRemove. Once the plugin is released storage space, better security and easier access from any device as it is cloud-based. Contact jensilva@uta.edu or your with questions.

Did You Know

Canvas usage continues to grow at UTA! For Spring 2020 (no Feb/21/2019 published courses and 60/225 active users are actively engaged). Canvas can provide content to your students in a number of languages, as well as provide accessible materials in compliance with ADA. Canvas supports open data. Open data is available to canvas.uta.edu for more details.
