- Faculty may contact us to request that students be removed from their fields. If students are removed from a field, the students will be added to all the other things you have going on in your life. I want to encourage you to continue your education and stay strong. You are part of the Maverick community and you belong here.

Faculty Affairs News 158 - January 7, 2021

Subject Line

You are a MAVERICK and you belong at UTA!

I know college can be challenging and this past year's events have added to all the other things you have going on in your life. I want to encourage you to continue your education and stay strong. You are part of the Maverick community and you belong here.

I'm here to support you in your path to graduation because your success means a lot to me. If you need any help deciding on what courses to take this spring, let me know. I will do my best to help!
