UTA Leadership Academy

The UTA Leadership Academy is designed as a broad leadership development program that includes the essential characteristics and skills needed to be an effective leader in a higher education environment.

It is a program that will focus on practical leadership topics, issues within higher education, and personal leadership development. The program is based on a semester cohort of fifteen to twenty faculty and staff. Staff and faculty participants can be nominated to the academy by self-nomination or a recommendation. A selection committee will then determine which nominees will participate in the spring semester 2022 cohort.

ACUE Fall 2021

Faculty Affairs invites you to earn a Certificate in Effective College Instruction endorsed by the American Council on Education (ACE) through an innovative, online course in Effective Teaching Practices offered by the Association of College and University Educators (ACUE).

ACUE's course, recognized by Quality Matters, addresses a wide range of practical and evidence-based teaching practices shown to promote student success in a face-to-face and an online environment. We have a few open positions for the fall 2021 cohort. All full-time faculty are welcome to apply by June 18, 2021. Information about the program and application info is available [here!](#)

Microsoft Teams Updates

A few improvements are coming to Microsoft Teams including an updated design for the Share Options menu and changes to the Profile menu and title bar. Please visit the [OIT Website](#) to see a list of all updates coming to Teams and O365 applications.

Canvas Update

Starting on Thursday, July 1, Canvas will be switching to another multi-factor authentication service called Microsoft Authenticator. Click [here](#) to visit the OIT News site for more information.

Return to Campus | OIT is here to help

As the university transitions back to more campus-based activities this summer, OIT is here to help with the technology needs of our faculty and staff. Information and resources are available for employees on the Return to Campus web page. This page includes information about computers, phones, the new Wi-Fi network, and device updates for campus-based, hybrid and fully remote employees.
