Mentorship in Academia

What is the difference between a mentor and a sponsor? How do you become a mentor and a sponsor? Are you ready to mentor others? Is there a model for mentorship? These questions are explored in this panel discussion. Bonus: Learn how to differentiate between mentorship and sponsorship.

Faculty Affairs | Thursday, October 10, 1:00 pm – 2:00 pm
UTA Student Union, Room 202

Upcoming Events
See Upcoming events on the Faculty Affairs website.

Presentation on Research Grants
Thursday, October 10, 10:00 am – 12:00 pm, Room 130
3:00 pm – 5:00 pm, Room 120

The UTA Graduate School is offering a two-week seminar on funding for tenure-track faculty. For faculty who recently received or are applying for research grants, this seminar will be offered with the grant-making agencies. Through the process of obtaining research funds, reservations are encouraged to facilitate the agenda.

Creating and Managing Rubrics
October 7, 9:00 am – 4:00 pm, Room 202

To create the best course assessments, it is important to ensure that rubrics are used in a systematic manner. By using rubrics, faculty can better assess student work. This conference will provide an in-depth discussion of how to create effective rubrics in order to improve your assessment practices.

Smart Evals and SFS
Faculty are reminded that Smart Evals and SFS are available for download on their SmartEvals platform using the UTA Single Sign-on. A tutorial on how to access their resources by following instructions will be provided.

SFS Resource Page
For faculty, please contact michelle.reed@uta.edu.

Faculty are encouraged to refer students interested in undergraduate research to UTA's McNair Scholars program. For more information, go to www.uta.edu/mcnair.

McKnight Scholars Needed
Faculty Affairs

Do you know someone who could be a McKnight Scholars? Please contact Faculty Affairs website.

Faculty News 131 - October 17, 2019
