

**Want to get paid to try teaching math & science?
Take a UTeach course and earn \$100!**

THE UNIVERSITY OF TEXAS AT ARLINGTON

Try an exploratory course this spring!

— Freshmen & sophomores —

Step 1: Inquiry Approaches to Teaching
SCIE 1201 Thu 12:30 pm - 1:50 pm

— Juniors & seniors —

Step 1 & 2 Combo

SCIE 1334 Tue 4:00 pm - 6:50 pm

About Step 1

- Explore STEM education in a weekly class
- Learn teaching strategies from Master Teachers
- Get real life experience in a local school
- Observe two lessons & teach three of your own
- If you enjoy it, continue to Step 2 the next semester
- Juniors/seniors may take a Step 1 & 2 Combo

SCIE 1201 perks!

- Receive a \$100 scholarship
- Tuition-free when added to a full load
- No textbooks, essays, or exams
- Fulfill 2 credit hours of electives
- Grade largely participation-based

About the UTeach program

- 7 courses built into a degree, similar to a minor
- Capstone teaching experience in final semester
- Degree options in all COS majors:
 - Biology
 - Chemistry
 - Geology
 - Mathematics
 - Physics
 - Psychology
- Offered at 54 universities nationwide
- Job guarantee; schools seek out UTeach grads
