

School of Social Work's Diversity, Equity & Inclusion Statement:

Guided by the NASW Code of Ethics, we are a diverse group of individuals committed to social justice who celebrate our various social identities. We commit to intentionally building conditions within our School that create more space and remove barriers for diverse, and historically excluded individuals.

DIRECTOR'S CORNER

Dr. Jandel Crutchfield, PhD, LCSW

New beginnings are still upon us this semester as everyone gets settled into the work of the academic year and the work of DEI.

It can feel like an unending and daunting task to tackle the many policies and events that threaten individuals' rights to self-determination. It is all the more important for the social work voice to press on in these times.

This month we will begin celebrating Latinx Heritage Month on the 15th and push for ways to support this vibrant community on our campus and beyond!

As you seek ways to advocate for the rights of individuals to live in a world where they and all of their identities are welcome and celebrated, be sure to step back and check in with yourself. When you decide to come back to the work, there will always be more work for you to do!

National Hispanic and Latinx Heritage Month Spotlight

Hispanic Heritage Month is observed annually from September 15 to October 15. It is a time to appreciate and celebrate the colorful cultures, rich histories, and diversity of the American Latino community. Every year from September 15 to October 15, Americans celebrate National Hispanic Heritage Month by appreciating the community's history, heritage, and contributions of the ancestors of American citizens who came from Mexico, Spain, the Caribbean, and South- and Central America.

HISPANIC HERITAGE MONTH -September 2022. (2021, September 15). National Today. <https://nationaltoday.com/hispanic-heritage-month/>

Student of the Month

Martaya Brown

My name is Martaya Brown, and I am 30 years old. I am from Pittsburgh, Pennsylvania and I have lived in Arlington, Texas for a little over a year. In 2014, I joined the United States Air Force where I was stationed in Grand Forks, North Dakota. While in the service, I received my master's degree in Psychology (prior to the service, I obtained my bachelor's degree in criminology). I am currently participating in a dual degree program at UTA to obtain my MSW and an MBA. My main goal after graduation is to establish my own assistant living "community". In this community individuals with disabilities have access to resources for proper care and to maintain their independence and dignity. I emphasize community because I do not want it to be or feel like a facility setting. Many assistant facilities do not have the best reputations when it comes to providing care and a better quality of life for people. I currently work at a private assistant living residence with 6 amazing clients.
