Position Title: Sexual Assault Therapist

Position Locations: Plano

Reports To: Clinical Manager

The Sexual Assault Therapist provides crisis intervention and counseling services to victims of sexual violence and family/friends of victims (secondary victims).

Duties and Responsibilities

• Provide direct services to victims of sexual assault and secondary victims via crisis intervention, individual and/or family sessions and support/therapy groups.
• Maintain appropriate case documentation on clients.
• Participate in regular current training on impact of trauma and treatment for sexual assault survivors to advocates, staff, organizations and community groups.
• Provide current training on impact of trauma and treatment for sexual assault survivors to advocates, staff, organizations and community groups.
• Collect statistical data and report on activities as needed.
• Provide coverage for hotline as needed.
• Other duties as assigned.

Job Requirements

• Bilingual English/Spanish preferred
• Skilled in performing counseling and crisis stabilization services, especially for treatment of acute and chronically traumatized crime victims.
• Ability to develop and maintain positive and professional working relationships with clients, staff and community contacts.
• Must complete 40 hours of mandated OAG sexual assault training.

Education and Experience:

• A Master’s Degree from an accredited college or university in counseling or social work is required.
• Current licensure (or eligibility for licensure) in Texas as LPC-A, LPC, LMSW or LCSW equivalent is strongly preferred.
