¹ Students with advanced standing (BSW degree), do not take foundation courses.

² Students must apply for field using Tevera; they will receive an email to do so. To apply for field, students pay a one-time fee for Tevera that covers the entire MSW (\$225 through Tevera or \$272 through the bookstore; paying through the bookstore allows the fee to be charged to student's financial aid); Block Field is available as well (SOCW 5585 & 5385) during which students complete field in one semester instead of 2.

³ Students must finish their foundation courses or have Advanced Standing (with BSW) before taking this course.

⁴ This should be in the final semester; during this final semester, students need to apply for graduation in MyMav. This is different than the commencement ceremony. Applying for graduation is required to complete the degree and receive diploma.

⁵ Thesis guidelines are available in the MSW Program Manual.
