**NOTES:**

- This is the standard list of all classes in this program of study. It is not necessarily the order in which to take courses. Please see your Academic Advisor to develop your individualized program of study.
- **REQUIRED**
- **Introductory Practice Courses** - must take BOTH. SOCW 5342 may only be taken concurrently or after completing 5311.
- **Integrated Theory and Practice Courses** - must take any TWO from the four listed. Must take concurrently with 5311 or after completing 5311.
  - **Advanced Field Placement** - Students are required to complete SOCW 5311 and SOCW 5342 *before* taking advanced field. A 3.0 cumulative GPA is required to take advanced field. May take SOCW 5482 then SOCW 5483 in consecutive semesters (SPLIT) or take both SOCW 5482 and SOCW 5483 as a BLOCK in one semester.
- **Capstone Course Options** - Students must choose to take the Integrative Seminar or Thesis Option.
  - **Integrative Seminar** - This option must be taken in the final program semester concurrently with 5483 or *after* completing block of SOCW 5482 & SOCW 5483.
  - **Thesis Option** - This option may be taken in place of one elective AND the Integrative Seminar.
- **ELECTIVES** – Students MUST take 2-3 social work electives to complete their program of study and the number of required credit hours to graduate. The suggested electives above are those that the faculty *STRONGLY* recommend as supporting your development in this area of specialization. However, other electives may be considered. Any elective must be chosen from the advanced level social work courses offered (check for any applicable prerequisites).
