During the month of February, we bring awareness, prevention and healing to teen victims of dating violence. As social work advocates, we have exposure and influence over teenage lives. We can show we are listening and are supportive to those who need to discuss this, and we can help prevent violence by teaching children and teens to stand up for themselves and leave a situation they do not feel safe in.

This month encourages parents and teens to evaluate their relationships. One in three young people experience abuse by a dating partner. Some resources for families to help start conversations can be found at loveisrespect.org and youth.gov.

Ways to Be Observe and be Involved:
• Help start conversation
• Share on social media using #TeenDatingViolenceAwarenessMonth, #LoveisRespect, and #TeenDVMonth
• Encourage community organizations and schools to help prevention
• Invite speakers to school
• If you know someone who has been a victim of dating violence, encourage them to call the National Dating Abuse Helpline here.

New Military Certificates

The Military Social Work Graduate Certificate prepares micro practice students to work with military service members, veterans, and their families in a clinical social work setting. Coursework focuses on enhancing the ability to assume advanced evidence-based practice roles in working with individuals and families.

The Military, Veteran and Family Care Graduate Certificate prepares students to work with military service members, veterans, and their families across settings. It is open to any graduate student at UTA. It focuses on military, military-connected, and veteran culture toward effectively serving these populations across various non-direct practice roles in health and social service agencies.

Talk with an advisor about how the military certificate can be added to your degree plan.

RECOGNITION

UTA Graduate students in Social Policy with Children and Adolescents from Fall 2021 had an opinion piece featured last week in The Shorthorn. What started as an assignment, their article discussed promoting advocacy in foster care due to the changes that have started because of Senate Bill 1896, the Texas Foster Care Omnibus Bill.

COVID-19 Testing

REQUIRED COVID-19 TESTING

Regardless of vaccination status, all students and employees coming to campus in any capacity for the spring 2022 semester must provide proof of a **viral COVID-19 test** by Feb. 4, 2022. Tests taken before Jan. 3, 2022 will not be accepted. If you have any questions, contact covidtesting@uta.edu.

UTA has a number of on-campus testing options that meet the required criteria and are free. Results received from an on-campus testing option will automatically be reported to the University with no further action required on your part. **UTA’s COVID-19 testing resources are always available to you should you need or want a test, not only when you are completing a UTA testing requirement.**

Results from off-campus testing sites will be accepted, though you will not be reimbursed for costs. Test results from an off-campus testing site will be uploaded to the COVID-19 Self Report portal in MyMav. If you have trouble finding or using the portal, contact the OIT Help Desk. Remember, if you test positive, please follow the CDC’s Isolation protocols and submit the Personal Diagnosis Form.

**UTA’s COVID-19 testing resources are always available to you should you need or want a test.**

Covid-19 Vaccine

**On Campus Covid Vaccine Clinic**

Each clinic will operate on a walk-in-only basis and be held in the Group Exercise Room (101B) in the Maverick Activities Center.

- **Wednesday, February 2 – 10 a.m. to 2 p.m.**

Contact covidvaccine@uta.edu with any questions.

If the dates and times of these clinics don’t work for you, the COVID-19 vaccine is free and widely available in Arlington and surrounding communities. To find a vaccine or booster near you, enter your zip code into the CDC’s COVID-19 vaccine finder.

**Click Here for more information.**
