SOCIAL JUSTICE SPOTLIGHT

March 2nd is Teen Awareness Month!

March 2nd is National Teen Awareness Month!

According to the American Psychological Association, present day teens have the worse mental health of any generation.

Due to the false image that social media promotes, it encourages mental instability and promotes insecurities. Therefore, it is necessary to raise awareness about mental health and the importance of self-care. This can help improve an entire generation's mental wellness.

Undergraduate**

Jessica Quinones

Hello everyone! My name is Jessica, and this is my third semester as a USL. My pronouns are She/Her. I am an undergraduate senior graduating in May! I don't like to stick with one plan so I would love to be a medical SW, school SW, or an immigration social worker. Maybe I could be all three! I love attending concerts and traveling. As an Undergraduate Student Leader, I am here to help with any questions that may arise. I am excited to serve as a USL again and am wishing you all the best this semester!

A New Beginning for all!

The University of Texas at Arlington's SOCW/NURS Building
HISTORY HAS BEEN MADE! The University's newest building is finally open to all faculty, staff, administrators and students! Since Social Work and Nursing have a lot in common with the wellbeing of the clients/patients, both majors are now combined into one building! According to Support UTA, "This building serves as a new center for interdisciplinary learning, encouraging students of both SSW and CONHI to think outside of their skillsets." This 15,000 square foot building is also a mixture of flexibility, state of art, and technology as a whole!
