SOCIAL JUSTICE SPOTLIGHT

World Day of Social Justice
February 20th

History

The World Day of Social Justice was established in the United Nations to show their vow to social justice. The term “social justice” has been around for hundreds of years, but in 1995, the World Summit came together and had a goal to create a “people-centered framework for social development.” This grew and the first year the World Day of Social Work was officially observed was in 2009.

Every year, the theme has changed based on an issue for social justice. In 2022, we are “Achieving Social Justice through Formal Employment.” This focuses on promoting authentic employment as a necessity to help reduce inequality and poverty.

Ways to Be Observe:

- Organize a social justice event.
- Advocate for a social cause
- Educate yourself on social issues
- Help a young person get involved
- Write a letter, sign a petition or make a phone call

Tests taken before Jan. 3, 2022 will not be accepted. If you have any questions, contact covidtesting@uta.edu.

UTA has a number of on-campus testing options that meet the required criteria and are free. Results received from an on-campus testing option will automatically be reported to the University with no further action required on your part. **UTA's COVID-19 testing resources are always available to you should you need or want a test, not only when you are completing a UTA testing requirement.**

Results from off-campus testing sites will be accepted, though you will not be reimbursed for costs. Test results from an off-campus testing site will be uploaded to the COVID-19 Self Report portal in [MyMav](#). If you have trouble finding or using the portal, contact the [OIT Help Desk](#). Remember, if you test positive, please follow the CDC's [isolation protocols](#) and submit the [Personal Diagnosis Form](#).

UTA's COVID-19 testing resources are always available to you should you need or want a test.
