

Do you ride a Motorcycle? Does it help you ease stress?

If so, researchers at the University of Texas at Arlington would like you to complete a survey. In collaboration with Stay the Course, they are conducting a study to learn more about the experience of motorcycle riding. The online survey will take 10-15 minutes.

You are eligible to participate if you:

- Are over the age of 18
- Have ridden a motorcycle since March 2020. To take the survey, scan the QR Code below or go to <https://windtherapy.questionpro.com>
