

COME & JOIN US!

The University of Texas at Arlington Department of Campus Recreation is hosting the Homecoming 5K on November 9, 2024. This event will be a way for UTA supporters to actively participate in the Homecoming festivities, donate to an important cause, and take a tour of the campus area. Many of our participants and spectators consist of students, faculty/staff, alumni and members of the surrounding Arlington community.

We are asking you to support this race by donating to 5K in a capacity of your choice. Options include donations of promotional items for us to use as door prizes, in-kind donations or financial support (categories outlined to the right). Generated funds will be used to further develop The Emergency Assistance Fund.

The UTA Emergency Assistance Fund (EAF) provides limited financial assistance to currently enrolled students who are struggling financially due to uncontrollable circumstance and require emergency monetary assistance as a last resort. Funds must be used to aid in short-term crisis matters which would otherwise jeopardize the student's ability to attend the university.

In order to give your company proper recognition we ask that all checks or donated items be received by October 15, 2024.

UTA would appreciate your participation as a donor in the 2024 Homecoming 5K Run.
