Office of International Education

This information sheet is only for informational purpose. You are not required to contract with one of the companies mentioned below. However, these are companies used by current and prior J1 visa holders at The University of Texas Arlington.

All exchange visitors (both J-1 principals and J-2 dependents) are required to have sickness and accident insurance as well as medical evacuation and repatriation insurance in effect for the duration of their exchange visitor program. Willful noncompliance with the insurance requirement may end in termination of your program as mandated by Department of State.

The U.S. Department of State defines adequate insurance as:

1. Coverage of at least \$100,000 per accident/illness, with no more than a \$500 deductible
2. Coverage of at least \$25,000 for repatriation of remains in case of death.
3. Coverage of at least \$50,000 for medical evacuation to the home country.
